What's Happening....

Can you believe it's already March and we are three months into the new year? With the beautiful weather arriving, we are looking forward to spending time out in the courtyard going for walks, sitting with friends, and enjoying a nice glass of wine or a refreshing iced tea. Inside this month's newsletter you will find pictures from our wonderful Valentine's Day party and highlights from when we kicked off our very own Olympic games. We also continue to love exercising our brains with Karen. Her sessions are always full of energy, fun, and great information. Our residents got creative making bird feeders and now we are excited to watch and see the birds come and enjoy them.

Now we are ready for another month full of fun activities. We will be doing a taste testing with a variety of Oreo cookies, celebrating National Potato Chip Day by trying some unique flavors, and cooling off with delicious Coke floats for National Coke Day. On March 23rd we will be heading out on the bus for a MF Roar trip.

Life In Motion
