What's Happening....

Spring is in full bloom, and we're excited to welcome a new month full of joy, connection, and special moments here at Arbor House!

We have some wonderful events planned this month, including a festive Cinco de Mayo social, our monthly birthday party, and a glamorous Hollywood-themed prom—get ready to dress up and shine! We'll also be celebrating all the amazing moms in our community with a special Mother's Day party.

Mark your calendars for a special treat on Friday, May 22 at 2:30 PM, when the Bluebonnets Chorus will be joining us for a beautiful afternoon of music. We can't wait to enjoy their performance together!

April was such a great month for our community. We discovered a new favorite game, Hoy!, which brought lots of laughter and fun. Our Easter party was a big hit, and we even had a special visit from the Easter Bunny, who stopped by to say hello! We also enjoyed a wonderful outing to the Beloved Gallery in downtown Marble Falls—such a beautiful and inspiring place.

Our residents have been staying active and engaged with both exercise and Exercise Your Brain sessions, which continue to be very popular. We love keeping both our bodies and minds strong! We're looking forward to making more memories together this May!

Life In Motion

Our trip to the Beloved Gallery was truly an amazing experience. We had the special opportunity to see the Prince of Peace painting face-to-face—it was absolutely beautiful. Although gallery rules didn't allow photos inside, it made the moment feel even more meaningful and unforgettable.
