At Arbor House Assisted Living and Memory Care of Garland our mission is to give new meaning to life to seniors by providing high-quality service in a comfortable, secure environment given with a spirit promoting dignity and respect.

When you choose our Assisted Living, you will see that it is all about personal freedom and choices. Residents choose more than just an apartment, they choose to live in a carefree, comfortable home all while maintaining their dignity and independence.

If Arbor Gardens, our memory care community, is more of a fit for your family you will see that we specialize in caring for our residents who are walking the journey of dementia causing diseases, such as Alzheimer's. We are committed to supporting both the person with the diagnoses and those affected by it.

When it comes to choosing senior living for yourself or your loved one we understand there are many choices which can make it difficult. At Arbor House, our residents all receive 24-hour support and caring tailored to meet their individual needs.

Sincerely, Sharnice Taylor

What Makes a Dad

**God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it... Dad**

Father's Day
Father's Day is just around the corner. I am sure we all have special memories of our Dads. If you are a daughter your dad was a hero. Did you ever danced on top of his feet as he tour you around? Or when he would put a band aid on your skinned knee-Then getting you an ice cream cone to make it all better. If you were a son, your dad was a life example. You wanted to be just like him- good at everything. Did he help you build a tree house, or teach you how to change the oil in your first car? Big shoes to fill, right? Dads of this generation, remember you are the new example. You are much loved and respected. We wish for you on this special day a very Happy Father's Day.
