Arbor Gardens

Happenings

January quickly rolls into February , the month of love!

Join us this month to spread the love at our Valentine's
Party at 10:30 on February 14th, sponsored by Kindred
Home Health & Hospice.

We are happy to have loving couple, Gloria & Francis and
Zella settling into the Arbor Gardens family. The house is full,
and, with a full house comes excitement! New friends to
make and new conversations to have. It
warms my heart to see the men of Thyme
reminiscing about their military service.
So many games to play.

Ms. Joyce sporting a scarf won at BINGO.

The dining room transforms into a nail
salon, a bowling alley. And what's our
favorite? You guessed it — BINGO! We
are all enjoying each other as we meet for morning
devotions and exercises! Songs of praise go up as we sing
favorite hymns, like Amazing Grace and the Old Rugged
Cross. I consider it a privilege to be able to walk along side
your loved ones on this journey.

Note from the DON, Kristi Burger

Most of our residents are under the impression that the legal documents they had in place honored their wishes. The confusing part of Advanced Directives is that on the Living Will or Directive to Physicians it states your wishes. This form is legally acceptable in a hospital setting, if you do not wish to have CPR administered. Unfortunately, anywhere outside of the hospital including Arbor House, the State of Texas requires a different form. The form required to not have CPR administered is called "Out Of Hospital Do Not Resuscitate (OOH-DNR) Order." By signing this form you still get any medical treatment you wish to pursue. This form simply stops CPR from being administered if someone's heart were to stop in their sleep or suddenly. This form can also be revoked at any time you wish. Arbor House would like to make sure you have the correct legal documents in place so that your wishes are upheld. If you have any questions or concerns, please feel free to contact me.
