# ASSISTED LIVING COMMUNITY WACO, TEXAS JULY 2020

## ARBOR HOUSE HAPPENINGS

Happy 4<sup>th</sup> of July everyone!!! It is hard to believe that the year is going by so quickly. We are looking forward to seeing everyone's smiling face at Arbor House soon.

I am Rick Bryant, the Maintenance Man here at Arbor House. I have been with Arbor House since October of 2017. I worked in the kitchen until November of 2018, when I was given the opportunity to become the maintenance man and bus driver. I enjoy working with my

hands, fixing things for others, and driving the bus for our residents, but the thing I enjoy the most is leading devotions. I know this time has been trying for everyone in a myriad of different ways but I pray that we will all be able to see each other face to face soon, or rather mask to mask.

I would like to personally thank you for the privilege of getting to know and care for your loved ones. Being a part of their daily lives is something that means the world to me. Seeing the residents smile fills my heart with joy. Please know that everyone who moves into Arbor House is deeply loved by our staff. I believe that this quality truly sets Arbor House apart from other places. The primary goal of those who work here is to make our residents and their families feel loved and respected. The people here, both resident and staff, make this building more than an assisted living or a memory care; this is home.

## Note from the DON, Kristi Burger

Trying to navigate the ins and outs of Healthcare can be overwhelming at times. Many of our residents know what they want to happen in the event of an emergency and some are unsure. Advanced directives are a series of legal papers that outline what a person wants to happen when they are unable to make decisions for themselves. Advanced Directives can include a Living Will, Directive to Physicians, Medical Power of Attorney, Durable Power of Attorney, and Out Of Hospital Do Not Resuscitate. Not all of these forms are required and some forms are limited to where they are effective. If you have questions, concerns, or just want to verify your wishes will be followed, please feel free to reach out to me for assistance.

At Arbor House Assisted Living Waco, our personalized services are designed for those who desire the finer things in life.
