License #106574

I have spent most of my life surrounded by food and family. Born and raised in Waco Texas, I attended the Texas State Technical College of Waco, where I graduated with an associate degree, and later received my state license as an Executive Chef. I have worked as a sous chef and head chef pretty much all over Texas and New Mexico (there is no job too big or too small that I cannot do). I plan to go back to school to get my Masters in Dietitian. But while I am here at Arbor House, I plan to give your taste buds a ride around the world with different cuisine. I'm very happy to be a part of the Arbor House Family.

*Chef Dee*

Dietary Manager

**"Fall has always been our favorite season of the year. The time when everything bursts with it's last beauty, as if nature had been saving up all year for the grand finale." - Miki, Arbor House Resident**

**Pumpkin painting with Hanna was fun!**

**Our Residents enjoyed making our FALL table centerpieces.**

Both of you  
are an  
inspiration  
to us all.  
We are so glad  
to be able  
to wish you  
a blessed  
birthday!

### **Note from the DON, Kristi Burger**

Most of our residents are under the impression that the legal documents they had in place honor their wishes. The confusing part of Advanced Directives is that on the Living Will or Directive to Physicians it states your wishes. This form is legally acceptable in a hospital setting, if you do not wish to have CPR administered. Unfortunately, anywhere outside of the hospital including Arbor House, the State of Texas requires a different form. The form required to not have CPR administered is called "Out Of Hospital Do Not Resuscitate (OOH-DNR) Order." By signing this form, you still get any medical treatment you wish to pursue. This form simply stops CPR from being administered, if someone's heart were to stop in their sleep or suddenly. This form can also be revoked at any time. Arbor House would like to make sure you have the correct legal documents in place, so that your wishes are upheld. If you have any questions or concerns, please feel free to contact me.

At Arbor House Assisted Living Waco, our personalized services are designed for those who desire the finer things in life. Since we believe life improves with age, we have created special services and carefree environment that promotes independence and dignity without all of the concerns associated with maintaining a home. The array of fine services we offer reflect our goal of enhancing quality of life for our residents. Most importantly, our services are delivered with respect and sensitivity. We understand that individual needs vary, so our personalized services are tailored to meet the

specific needs of each resident. Whether it be a hobby, exercise, or leisure, we offer our residents the opportunity to pursue individual desires. Arbor House offers a choice of private suites designed to meet diverse needs and tastes. Our spacious and inviting accommodations await and welcome the personal touches and cherished collectibles that truly make a house a home. Our residents enjoy the outdoors in our beautifully appointed courtyards. All the best in life in the company of good friends, the indulgence of gracious amenities, and the security of caring, personalized services await you at Arbor House. We invite you to become a part of our special residence dedicated to providing you with the best in life.
