Arbor Gardens Happenings Waco, Texas

WOW! June is already here and we wish you all a wonderful month!

What a fun Mother's Day celebration we had last month. Minor Changes Duo, entertained our residents as they sang old love songs for them.

This month, Father's Day is on it's way! We will be celebrating the Super Dads of Arbor Gardens on May 21st.

A HUGE THANK YOU to the wonderful agencies who volunteer their time to sponsor events and engagements. They get involved by helping bingo, games, devotions, weekly happy hour, monthly birthday celebrations, and arts & crafts engagements. We can't say thank you enough for being part of our community! If you'd ever like to jump in and be part of life at Arbor Gardens, don't hesitate to contact Christy Ocampo.

Note from the DON, Kristi Burger

An old Radio host Bernard Meltzer, once said, "A friend is someone who understands your past, believes in your future, and accepts you just the way you are." At Arbor House we believe that a friendship with these qualities is not only a blessing, but imperative to providing quality care. Our Best Friend philosophy originated from the book "The Best Friends Approach to Alzheimer's Care" by Virginia Bell and David Troxel.

This concept is put into play daily with all our residents. With the help of family and friends, we are educated on the past of each resident. This helps us to plan for future care and techniques for each of our friends. We appreciate and celebrate each of their accomplishments, both past and present. Each resident has a service plan that allows for increased independence.

It is more comfortable to accept assistance from a good friend rather than from a complete stranger. Our residents recognize our Arbor House uniforms and are more willing to accept assistance from us. It's amazing how each day we get to come to work and bond with all our friends.

At Arbor House Assisted Living Waco, our personalized services are designed for those who desire the finer things in life. Since we believe life improves with age, we have created special services and carefree environment that promotes independence and dignity without all of the concerns associated with maintaining a home. The array of fine services we offer reflect our goal of enhancing quality of life for our residents. Most importantly, our services are delivered with respect and sensitivity. We understand that individual needs vary, so our personalized services are tailored to meet the

specific needs of each resident. Whether it be a hobby, exercise, or leisure, we offer our residents the opportunity to pursue individual desires. Arbor House offers a choice of private suites designed to meet diverse needs and tastes. Our spacious and inviting accommodations await and welcome the personal touches and cherished collectibles that truly make a house a home. Our residents enjoy the outdoors in our beautifully appointed courtyards. All the best in life in the company of good friends, the indulgence of gracious amenities, and the security of caring, personalized services await you at Arbor House. We invite you to become a part of our special residence dedicated to providing you with the best in life.
