Arbor House Assisted Living Community Waco, Texas

Many things come to mind when we think of Grandma Lou. She is crafty and creative; we have fond memories of her teaching others how to sew (and we all love her seasonal vests)! We can't forget her amazing cooking and try to recreate her dishes on our own. Grandma Lou is the sharpest tack in the box and one of the wisest people we know. We love hearing stories about her childhood and how different it was for her growing up. Her resilience puts us all to shame, she just keeps on moving and is still very active at 88. Her laugh makes you light up, and it's a treasure to hear! A paragraph doesn't being to cover how much we love and appreciate our Grandma Lou...but it's a start!

Note from the DON, Kristi Burger

I know with The Covid Pandemic it doesn't seem like we ever got out of Cold and flu season, but it is officially that time of year again. This year we have arranged with Circle Drug to administer Flu Vaccines and Covid Boosters on the same day at Arbor House. We are waiting on final details at this time but will be contacting everyone soon to have consents signed. Please keep in mind that our policies are constantly changing. We will have visiting hours posted on the door. As for now our general visitation regulations are no more than two visitors at a time and you must remain in the apartment away from other residents.

Visiting hours are 9am-11am, 1pm-4pm, and 6pm-8pm. We will notify you if these regulations change even if it is a temporary change.

If you are planning a visit you are welcome to call the office ahead of time to verify visitation regulations for a specific resident.
