Do you or someone you know have a special talent, free time on your hands to visit with our residents, maybe a craft you would like to share?

If you answered YES to any of these, please contact Christy Ocampo or any of us. We would love to have you volunteer and entertain our residents.

### A note from our Residents!

It is a new life experience living at Arbor House. Many of us are happy to be relieved of duties, such as cooking, house cleaning and laundry. Some of us have family and friends nearby to visit us. There are a few who don't have family and friends who visit, so we adopt the words of the old song that says, "If you can't be with the one you love, love the one you're with."

Most of us have made many new friends by participating in engagements. We receive care and help from our care friends. Some other friends, such as our administrative workers and community health care providers have turned our heartache into joy. NOW, ARBOR HOUSE IS OUR HOME!

## Note from the DON, Kristi Burger

As we get older the fear of falling becomes more prevalent. There are steps that each of us can do to prevent falling. Daily exercises, decluttering our rooms, and wearing leather shoes on carpet instead of rubber are all great ways to promote safety. If you notice your loved one is feeling weaker or maybe their gait is more impaired, we can get home health to come in for services for fall prevention. Everyone has their own plan already in place. If you would like to discuss a fall prevention plan for your loved one, please feel free to contact me.
