Hi, my name is Wendy Cormier. I have been an LVN since 2014 working in pediatrics and hospice. While working in hospice, I would frequently visit Arbor House. I quickly fell in love with residents, staff, and the overall atmosphere. I knew Arbor House felt like home for me from the beginning. Arbor House considering me for the role of Director of Nursing has been an honor and a privilege.

Just a little about myself.... I have a 22-year-old daughter named Maddy, who will graduate from Texas A&M in May. My husband Keith works offshore as a tugboat captain out of Houston, he is also an Army Veteran. I have 7 rescue dogs, 1 rescue horse, multiple baby ducks, and my daughter's bearded dragon. I have a soft spot for the elderly and animals. I look forward to getting to know each resident along with their family and friends. Please feel free to reach out or swing by my office anytime.
