# Arbor House of Waco Arbor Gardens Happenings

1 Corinthians 9:23 says, "I do everything to spread the Good News and share in it's blessings." This Good News is what Jesus did for me on the cross and it changed my life. I dedicated my life to serving others and to doing what I can for people because it seemed only right that because I was blessed I should in turn bless others. So, I became a family pastor, and then the pandemic came upon this earth. My course changed, I unexpectedly became a Hospice Chaplain. One of my responsibilities is to go to care centers, rehabs, assisted living facilities, and long term care facilities. I do bible studies upon request. My intent is to go and bless people and let them know they are loved and cared for. Here is the thing, I go to bless and then I find that I am blessed by the people. To hear stories about their lives and journey they lived is very moving. I have been made better by being around them, by listening to them. I have learned invaluable lessons about life and how to deal with its many ups and downs. Their faith has shown me how it works amid heartaches. Life is something, isn't it? I go with the intention to let them know they are loved, only to find out that they love me. I go to teach, only to leave as the student. I go to make them laugh, and, I am the one getting ready to cry, I am laughing so hard. What would you call this? I call this, Community!

Happy Anniversary Arbor House! I join the staff, residents, and volunteers in celebrating 6 years. It's been a delight to have been with Arbor House since opening day in leading weekly devotionals to the residents and making friendships. It has been a joy working with a dedicated staff who love providing care to the residents. I look forward to continue providing spiritual care to the men and women of Arbor House. May the Lord continue to bless Arbor House in the days ahead.

I thank God for my 6 years here at Arbor House. A lot of fun and happy moments, of course I struggled too, but, It taught me a lot of things, and I am happy that I experienced some roller coaster rides. The journey has improved me as a person and made me more mature!  
I love my Arbor House family!
