Grandma
Gerry & Zoey

I have so many great memories of
Jellie (Gerry) when I was a
young kid. I was lucky that I got
to live close to my grandparents
for the early years of my life.
Even after living a bit far away
from them for a good chunk of
my life, I still remember so many
good times. I remember sitting at
the table with Jellie playing Old
Maid and coloring in coloring
books. I remember all the good
food that came from her kitchen.
When I was a kid going to Jellies
house, it felt like I was going over
to a really good friend's house. I
just remember her always
smiling and happy to hang out
with me. Jellie used to send us
funny little cards for every holiday.

I wish I had collected them so that I could see all
the goofy things she wrote in them. I love that
Jellie is a great grandparent and someone who still
makes me smile anytime I think of her.

Your Grand, - Zoey
