WHAT'S DECKING OUR HALLS?

It's hard to believe that 2022 is coming to an end. This year has brought so many changes and growing experiences to our Arbor House Team, but what a fun and exciting time for everyone here. We have added new residents and been blessed with those new friendships. Our residents have been able to experience parties and outings again now that our world is a little back to normal. We look forward to continuing these fun experiences at Arbor House in to 2023. I want to take this time to thank you for being a part of our Arbor House family. We have had the privilege of taking care of so many precious people of the last six years. I know that God has put each person, residents and team members, here for a reason. God touches each of our lives everyday through the relationships that we make with our residents and their families. I hope each of you have a blessed and happy Christmas and New Year's!
